Do you need a home office or space to spread out? You deserve this 5 Bedroom, 3 bathroom home with a loft at this remarkable price! The master bedroom has a walk in closet, double vanity, tub, and a separate shower. There's one other bedroom with a walk in closet. There is a bedroom and full bath on the main level. The home was built in 2021 so the roof and HVAC are not old. There's a termite bond available. The covered patio has a ceiling fan and there's an extra pad overlooking a fenced backyard. You will love this elevation with a covered front porch and stone facade. This home is ready for a new owner with new carpet and fresh paint. All appliances to include the washer and dryer are included. Take a look today!
